

3GHz Coaxial Connectors

Right Angle PCB Mounting BNC Connector with Pathfinder™ Light Pipe Part Number C-SX-095

General Description

The C-SX-095 precision 75Ω BNC Connector is a right angle mounted PCB connector with a selection of different leg lengths available. It also features Pathfinder™ light pipe technology which is located on the bottom of the connector. With a centre line of 4mm above the board, its low profile permits closer packing densities of daughter boards, which allows reduction in the bulk of routing and switching equipment.

This is not supplied with nuts or washers.
