WEEE Compliance Statement

The Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 (directive 2012/19/EU) apply to all Electrical and Electronic Equipment (EEE) placed on the market in the UK covered by the scope of the regulations.

The directive aims to reduce the waste arising from EEE and improve the environmental performance of everything involved in the life cycle of EEE and to minimise the amount of material entering this waste stream.

From the initial design to the completion and shipment of goods we comply to the WEEE regulations
